

## **FOI047 Response**

### **Request**

Please provide the following information in the form of an Excel document with a monthly breakdown.

1. How many patients do you currently have accessing your CAMHS community services (including Tier 2 and Tier 3)?
2. How many patients were discharged from your CAMHS waiting lists in each month from February 2019 to May 2020?
3. How many patients have been discharged from CAMHS services in each month from February 2019 to May 2020?
4. What were the number of patients accepted for treatment under CAMHS services (including Tier 2 and Tier 3 CAMHS services) each month from February 2019 to May 2020?
5. How many referrals have you received for CAMHS treatment each month from February 2019 to May 2020?

## Response

Birmingham and Solihull Mental Health NHS Foundation Trust, Barnardo's and Autism West Midlands work together to provide emotional wellbeing and mental health services for children and young people in Solihull within our Child and Adolescent Mental Health Service, Solar. We provide multi-disciplinary assessment and treatment of children and young people with mental health or severe emotional and behavioural difficulties. The service currently accepts children and young people, until their 19th birthday, who are residents in the borough of Solihull, go to school or college in the Solihull borough, or have a Solihull GP. The CAMHS Solar service accepts referrals from GPs, schools, Social Services self-referrals from young people and parents/carers.

For information on children and young people in receipt of CAMHS services in Birmingham, please redirect your request to Forward Thinking Birmingham Service which is hosted by Birmingham Women's and Children's Trust.

In addition to this, Birmingham and Solihull Mental Health NHS Foundation Trust also provide a low secure inpatient Child and Adolescent Mental Health Service (CAMHS) and a medium secure inpatient Forensic Child and Adolescent Mental Health Service (FCAMHS)

The low secure inpatient Child and Adolescent Mental Health service (CAMHS) provides multi-disciplinary assessments, mental health intervention and treatment for patients with mental health difficulties, until their 18<sup>th</sup> birthday.

The medium secure inpatient Forensic Child and Adolescent Mental Health Service (FCAMHS) provides multi-disciplinary assessments, mental health intervention and treatment for patients with forensic history and complex mental health difficulties, until their 19<sup>th</sup> birthday.

Both services are nationally commissioned and available to patients across England.

Please see table below and note the following,

- The data provided is from February 2019 to May 2020 and only relates to patients from the listed services below,
  - Inpatient Child and Adolescent Mental Health Service (CAMHS)
  - Inpatient Forensic Child and Adolescent Mental Health Service (FCAMHS)
  - Child and Adolescent Mental Health Service (Solar)
  
- The service area and figures per question have been grouped, this is because the low numbers captured within each service could lead to identification of a patient.

The total number of current service users open to the Trust's CAMHS community service is 1158 this figure is accurate as of 21st July 2020.

	How many patients were discharged from your CAMHS waiting lists in each month from February 2019 to May 2020?
