Please can you supply the below :

- The details of the individual or individuals responsible for the recruitment and or resourcing of clinical staffing including doctors, nurses and AHPS within Birmingham and Solihull Mental Health NHS Foundation Trust

This may be the individual responsible for the direct recruitment, or the individual responsible for managing the relationships with the external agencies you are working with.

Please note, we are an NHS appointed framework agency and require this information to make sure we direct our correspondence to the right individual.

Please can you also provide :

- Contact name
- Job title
- Email address
- Direct dial contact numbers if available

Please feel free to supply this information as a direct response to this email siobhanw@sykreruitment.com or in Excel format if this is more convenient should there be multiple contacts. If you need further clarification, please contact me by email.

If our request is denied in whole or in part, I ask that you justify all deletions by reference to specify exemptions of the act. We will also expect you to release all non-exempt material.

We reserve the right to appeal your decision to withhold any information or to charge excessive fees.

I would be grateful if you could confirm in writing that you have received this request. I look forward to your response within 20 working days, as outlined by the statute.
