Request

Dear FOI Team at Birmingham and Solihull Mental Health NHS Foundation Trust,

Digital Health Intelligence is validating and checking the healthcare IT systems at your trust.

Can you review the attached spreadsheet of systems we have recorded for your trust and correct any mistakes, omissions or changes?

We would like to check that we have the correct supplier name, system name, date of installation and contract expiration date recorded for your trust's IT systems. Please could you also validate if the IT system is annually renewed or not?

Response

Please see amended spreadsheet note that the Trust does not have two E-Rostering systems and therefore the duplicated data "E-Rostering (staffing) Allocate" has been removed to reflect this.
