**Response**

The Trust's Car Salary Sacrifice Scheme is no longer in operation however, there are residual arrangements in place for staff members until the expiry of the contract.

There are 15 vehicles associated with the scheme and each residual arrangement has a different expiry date as they were established during various timeframes.

The scheme was obtained from an external provider Tusker, and the Trust will not be renewing the contract.

Furthermore, the Trust does not provide any other car scheme or Light Commercial Vehicle Fleet.

Please note that the requested contact details cannot be provided as it pertains to personal information. With this in mind a Section 40 exemption has been applied.
