

FOI225 Response

Request

To whom it may concern,

Would you mind supplying us with the following information?

- Does your Trust use Intermittent Compression Pumps (IPC) to prevent Venous Thrombosis Embolism (VTE)?
- Do you tender for these items?
- When will the tender end?
- Who is your current supplier?
- How many IPC sleeves do you use per year?

Response

Please note that the requested information cannot be provided as Birmingham and Solihull Mental Health Foundation Trust (BSMHFT) explicitly provides mental health services and is not an acute Trust where physical health services are provided.

To obtain information on the use of use Intermittent Compression Pumps please redirect your request to an acute Trust.
