Request

Please could you give me your Corporate Governance/Corporate Affairs team structure with bandings?

Clarification sought on what Corporate Governance/Corporate Affairs Team: *I mean the Governance Team or the company secretary and who sits under that post*

Response

Please note that there is no written team structure for the Trust's Company Secretary however, the Trust can confirm that the Company Secretary structure consists of a Company Secretary (Band 8b) and a Deputy Company Secretary (Band 7).
