

FOI290 Response

Request

Dear FOI Team at Birmingham and Solihull Mental Health NHS Foundation Trust,

Please find attached a request for your attention.

Can you update the attached spreadsheet where we ask about your trust's general IT infrastructure please?

Digital Health Intelligence continues to deliver free research access to the NHS and as part of this, we are updating our IT infrastructure data held on your organisation.

Response

Please see completed spreadsheet and note the following:

- Some of the financial and contractual information has not been provided. This is because the data has not been captured to the level of detailed requested. Obtaining the requested data would require exhaustive and manual measures that exceeds the appropriate threshold of carrying out this task. The Trust therefore rely on the exemption Section 12 of the Freedom of Information Act 2000 to refuse this part of your request.
- For question 7 the Trust is unable to provide information on the main supplier for our servers. This is because disclosing the requested information would, or would be likely to compromise the Trust's ICT security and leave our servers vulnerable to cyber-attacks. The Trust therefore rely on the exemption Section 24 of the Freedom of Information Act 2000 to refuse this part of your request.
