

Caring Minds

Our Charity

Our charity 'Caring Minds' directly funds projects within the Trust, so you can rest assured your money will be helping provide the much needed extras that traditional government funding does not usually provide. Whether it is a piece of equipment, refurbishment of a service area, research, trips or special days for service users, we help to provide the items that our staff, service users and carers need.

You can help with our fundraising in a variety of ways:

- Volunteering – manage some collection tins in your local area, help at an event, organise your own event, help sell raffle tickets or quiz sheets
- If you are a member of staff you can take part in our monthly 4000 club
- Make a regular monthly donation
- Leave a gift in your will
- Take up a Challenge –Take on a Trek, do a skydive, take part in a run/walk/cycle ride
- Ask your company to consider us for their charity of the year

For further information please visit our website www.caringminds.org where you will find useful links and items you can download.

If you would like to make a single or regular donation, you can either complete the Standing Order Mandate form below, or click on the 'Donate' links on our website, which will allow you to make an on-line donation.
