

FOI 0417/2023 Response

Request

I am writing to you under the Freedom of Information Act 2000 to request the following information. Please include **any private providers** you use in your breakdowns below.

1) How many private NHS-funded patients did your trust treat for IVF in the financial year 2012-2013 and in the same period for 2022-2023? Please can you break this down by year and state whether they were private patients or NHS patients.

2) How many private patients that you treated for IVF in the financial year 2012-2013 and 2022-23 started as NHS patients via your service? Please break this down by year

3) What was the success rate for 2022-2023 per embryo transferred using patients eggs for NHS patients compared to privately-funded patients? Please break this down by ages 18-34, 35-37,38-39, and 40-42.

4) How many embryos have your service destroyed for patients who no longer wanted to store them in the financial year 2012-2013 and in the same period for 2022-2023? Please break this down by year and state the reason given for them not wanting to store them if possible and this information is available.

5) How many patients have been treated in a private v NHS clinic in the financial year 2012-2013 and in the same period for 2022-2023? Please break this down by year and state the name of the service commissioned and money spent with them.

Response

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
