Response

Please see the table below and note the following:

- The Trust do not use off framework agencies.
- Data has been provided for the spend on all agency staffing during Apr 2023 to Feb 2024
- The Trust is unable to provide the requested breakdown of agency staffing.

This is because we do not readily record the requested information within our systems.

Obtaining this information will require the Trust to review a large cohort of data to obtain the required information.

This therefore exceeds the threshold to complete this task, and the Trust rely on exemption Section 12 of the Freedom of Information Act 2000, to deny this aspect of your request.
