FOI 009/2024 Response This is an FOI request to be provided with a list of the incident categories for patient safety. Please find below the requested information. Patient Safety Incident Causes Absconsion From Inpatient Site Absconsion Of Patient Detained By Acute Hospital The preceding list contains all patient safety incident causes Access Delay (Non-Inpatients) currently used at the Trust. Admission - Delay / Failure Admission - Inappropriate Admission - Inappropriate (Disability) Admission - Inappropriate (Gender) Admission - Inappropriate (Ward Over occupied) Admission - Under 18 To Adult Unit Admission / Transfer Not Authorised Aggressive Behaviour - No Direct Victim(S) Allergy - Known Allergy - Unknown AMHP - Assessment Report Not Present AMHP - No Access Appointment Recording Error Attempted Absconsion From Inpatient Site Attempted Absconsion From Other Health Facility Attempted Absconsion Whilst On Leave Attempted Assault - 3rd Party On Pt Attempted Assault - Pt On Pt Attempted Assault - St On Pt (Alleged) Attempted Assault - St On Pt (Confirmed) Biting (Attempted) Blood Stream Infection (E-Coli, MMSA, MRSA...) Blood Test Sample / Results Issue Breach Of Mixed-Sex Accommodation Regulation Burning / Scalding Burning / Scalding (Attempted) Care Planned Restraint (Personal Care, Medication) Care Record - Failure To Record Information Care Record - Hybrid Mail Care Record - Incorrect Transportation Care Record - Missing Care Record - No Access To Patient Record Care Record - Other Care Record - Wrong Information Recorded Chaperone Available But Not Suitable Chaperone Required But Was Not Available **Child Protection** Choking / Swallowing (Patient) Clinical Waste Management Collapse / Fainting (Patient) Collision / Contact With A Moving Object (Pt) Collision / Contact With Stationary Object (Pt) Communication Issue - External Agency / Provider Communication Issue - With Internal / Partner Team Communication Issue - With Patient / NoK / Carer Communication Issue - Within Team Confirmed Accidental / Misadventure Death Confirmed Drug / Alcohol Related Death Confirmed Homicide Of 3rd Party By Pt Confirmed Homicide Of Pt By 3rd Party Confirmed Homicide Of Pt By Pt Confirmed Natural Cause Death Confirmed Neglect / Self-Neglect Related Death Confirmed Suicide Consent To Treatment Not Completed Contact With Bodily Fluid (Patient) Contact With Electricity (Patient) Contact With Hot / Cold Source (Patient) Contact With Sharp Object (Patient) Coronavirus - Confirmed (Patient) Coronavirus - Suspected (Patient) CTO11 - Treatment Administered - Not Authorised CTO11 - Treatment Prescribed - Not Authorised CTO12 - Treatment Administered - Not Authorised CTO12 - Treatment Prescribed - Not Authorised Cutting Cutting (Attempted) D&V (Patient) **Diabetic Foot Ulcer** Discharge - Delay / Failure Discharge - Inappropriate Discharge - Planning Failure Discharge - Self Or Against Medical Advice DoLS - Expired Extended Urgent Authorisation DoLS - Expired Standard Authorisation DoLS - Expired Urgent Authorisation **Domestic Violence** Doors / Locks (Faulty) Dose Repeated / Drug Administered Twice Dose(S) Missed / Omitted Drug Administered (Expired Prescription) **EMIS Issue EPMA** Issue **Equipment - Contaminated** Equipment - Failure / Malfunction Equipment - Failure To Check / Audit Equipment - Unavailable Equipment - Used By Unauthorised Person Equipment - User Error E-Rostering Issue Exposure To Hazardous Substance (Patient) Failure / Delay - Monitoring / Checking Bloods Failure / Delay - Ordering Meds From Pharmacy Failure In Referral Process Failure In The Safeguarding Process Failure Of Fixtures And Fittings Failure To Comply With National Data Opt Out Failure To Return From Leave (Informal) Failure To Return From S17 Leave (Escorted) Failure To Return From S17 Leave (Unescorted) Fire - Accidental Fire - Reason Undetermined Fire - Wilful / Arson Food Refusal Food Refusal (Attempted) Foreign Body Identified In Food Fresh Injury Gas / Electricity / Heating Hair Pulling Hair Pulling (Attempted) Head (Or Other) Banging Head (Or Other) Banging (Attempted) Heart Attack / Stroke (Patient) Hitting Self Hitting Self (Attempted) Hostage / Kidnapping - Patient Victim laptus Issue Illegal Detention - Section Lapsed Illicit Substance Illicit Substance (Attempted) ILLY Issue Inadequate Handover Inadequate Staffing Level Inappropriate Skill Mix Inappropriate Use Of Restrictive Intervention Incontinence Associated Dermatitis Incorrect Placement Of Naso-Gastric Tube Incorrect Test Results (Specimens) Ingestion Of Foreign Object / Substance Ingestion Of Foreign Object / Substance (Attempt) Injured By Animal (Patient) Insertion Insertion (Attempted) Insufficient Pagers / Alarms Available Intertriginous Dermatitis Jump From Height Jump From Height (Attempted) **Known Cause** Labelling - Completely Wrong Label Applied Labelling - Incomplete / Missing Information Labelling - Incorrect Quantity Quoted Labelling - Wrong Directions Quoted Labelling - Wrong Medication Name Labelling - Wrong Patient Name / Number Labelling - Wrong Strength Quoted Labelling - Wrong Ward / Team Quoted Late Lay Manager Renewal Hearing Leave Prescription Absent Leave Prescription Incorrect / Invalid Leg Ulcer Lift Failure Ligature With Anchor Point Ligature With Anchor Point (Attempted) Ligature With No Anchor Point Ligature With No Anchor Point (Attempted) Lone Worker Device - Device Failure / Issue MCA - Assessment Not Completed When Required MCA - Assessment Outcome Not Recorded Medical Device - Contaminated Medical Device - Failure / Malfunction Medical Device - Failure To Check / Audit Medical Device - Unavailable Medical Device - User Error Medication - Dispensing Delay Medication - Expired Medication - Expired Stock Dispensed Medication - Incorrect Quantity Dispensed Medication - No Guidance Available Medication - Storage Of Medication - Wrong Formulation Dispensed Medication - Wrong Medication Dispensed Medication - Wrong Strength Dispensed Medication Card / EPMA Not Signed Medication Given For The Wrong Number Of Days **Medication Overdose** Medication Overdose (Attempted) Medication Related - Documentation Error Missing Patient On CTO MRSA Management No Photograph On RiO Non-Confidential Environment Risk Non-Secure Patient On Secure Care Ward Not A Pressure Sore / Deep Tissue Injury NRLS Reportable Injury From Restraint Old Injury Other (Patient) Other Accident (Patient) Other Food Safety Issue Other System Issue Paperwork Error / Incomplete Patient Confidentiality Issue Patient Equality Act 2010 Breach (Confirmed) Patient Fall (Unwitnessed) Patient Fall (Witnessed) Patient Found On Floor (Unknown Circumstances) Patient Human Rights Breach (Confirmed) Patient Missing From Unit (Informal) Patient Slip / Trip Patient Transportation Issues (Other) Peristomal Moisture Associated Dermatitis Periwound Dermatitis Physical - 3rd Party On Pt Physical - Pt On Pt Physical - St On Pt (Alleged) Physical - St On Pt (Confirmed) Physical Observations - Non-Compliance Physical Security Breach Positive Result (Illicit Drugs) Possible Transmission Risk Potential Moisture Associated Skin Damage (MASD) Potential Pressure Sore PPE (COVID-19 Related) - Defective PPE (COVID-19 Related) - Unavailable Prescription - Duplicated Prescription - Illegible Prescription - Incomplete Prescription - Lost Prescription - Not Signed Prescription - Wrong Directions Prescribed Prescription - Wrong Dose Prescribed **Prescription - Wrong Formulation Prescribed** Prescription - Wrong Medication Prescribed Pressure Sore (Category 1) Pressure Sore (Category 2) Pressure Sore (Category 3) Pressure Sore (Category 4) **Primary Dispensing** Privacy & Dignity Breach Purging Purging (Attempted) Racial - Disruptive Behaviour Racial Abuse - 3rd Party On Pt Racial Abuse - Pt On Pt Racial Abuse - St On Pt (Alleged) Racial Abuse - St On Pt (Confirmed) Reopening Of Pre-Existing Wound Reopening Of Pre-Existing Wound (Attempted) Reperfused SDTI Resus Bag - Failure To Check / Audit Resus Bag - No Replacement Pouch Available Resus Bag / Pouch - Damaged Resus Bag / Pouch - Missing Resus Bag / Pouch - Tag Broken / Missing RiO Issue S62 - Treatment Administered - Not Authorised S62 - Treatment Prescribed - Not Authorised S64 - Treatment Administered - Not Authorised S64 - Treatment Prescribed - Not Authorised Scratching Scratching (Attempted) Seclusion In Area Not Designed For Seclusion Seclusion Of An Informal Patient Secondary Dispensing Secure Transportation Issues Security Procedure - Non Compliance Seizure / Fit (Patient) Self-Strangulation With Hands Self-Strangulation With Hands (Attempted) Service Disruption Due To Major Incident Service User Diversion Of Medication Sexual - 3rd Party On Pt Sexual - Pt On Pt Sexual - St On Pt (Alleged) Sexual - St On Pt (Confirmed) Sexual Harassment - 3rd Party On Pt Sexual Harassment - Pt On Pt Sexual Harassment - St On Pt (Alleged) Sexual Harassment - St On Pt (Confirmed) Shortfall In Care Planning / Treatment Quality Shortfall In Clinical Assessment Quality Shortfall In Follow Up Post Discharge Quality Side Effect Of Administered Drug Staff Attack Alarm - Failure To Respond To Suffocation Suffocation (Attempted) Supply Of Essential Goods And Services Suspected Accidental / Misadventure Death Suspected Deep Tissue Injury: Depth Unknown Suspected Drug / Alcohol Related Death Suspected Homicide Of 3rd Party By Pt Suspected Homicide Of Pt By 3rd Party Suspected Homicide Of Pt By Pt Suspected Natural Cause (Earlier Than Expected) Suspected Neglect / Self-Neglect Related Death Suspected Suicide Suspected Suicide (Attempted) SystmOne Issue T2 - Treatment Administered - Not Authorised T2 - Treatment Prescribed - Not Authorised T3 - Treatment Administered - Not Authorised T3 - Treatment Prescribed - Not Authorised Telecommunication / Network Tests - Failure / Delay To Undertake Therapeutic Observations - Non-Compliance Therapeutic Observations App Threats / Intimidation - 3rd Party On Pt Threats / Intimidation - Pt On Pt Threats / Intimidation - St On Pt (Alleged) Threats / Intimidation - St On Pt (Confirmed) Transfer - Delay / Failure Transfer - Inappropriate Tribunal - Breach Of Practice Directions Trust Taxi Issue Unavailability Of Doctor Unavailability Of Other Professional Staff Member Unavailability Or Lack Of Interpreter(S) Unclassified At Point Of Discharge (MASD) Unclassified At Point Of Discharge (PU) Unexpected Readmission / Reattendance

Unknown (Patient) Unknown Cause **Unplanned Admission** Unsafe / Unsuitable Physical Environment Unstageable: Depth Unknown Verbal Abuse - 3rd Party On Pt Verbal Abuse - Pt On Pt Verbal Abuse - St On Pt (Alleged) Verbal Abuse - St On Pt (Confirmed) Vulnerable Adult Ward Closure Due To Infection Outbreak Water Supply Wound Management (Resulting In Infection) Wrong Dose Given Wrong Drug Given Wrong Patient Wrong Route Wrong Time / Date - Drug Given Early Wrong Time / Date - Drug Given Late
