

FOI061 2024 Response

Request

Please consider the below FOI:

- 1) For each of the last ten calendar years (defined 1 January – 31 December - So from and including 2014/15 to 2023/24) please provide the number of referrals received for your adult eating disorder services, split by age group and gender (*If my requested time period is not available, please instead provide data from the earliest date available up until the most recent date available at the point of commission*).
- 2) For each of the above-mentioned ten calendar years please state:
 - a) How many of the yearly referrals were from women in their 40s
 - b) How many of those women in their 40s were going through menopause or perimenopause
 - c) How many of the yearly referrals were from women in their 50s
 - d) How many of those women in their 50s were going through menopause or perimenopause
 - e) How many of the yearly referrals were from women in their 60s
 - f) How many of those women in their 60s were going through menopause or perimenopause

Response

Please see the table below and note the following:

- The Trust is unable to provide the requested data in relation to menopause or perimenopause. This is because we do not capture the requested information in a reportable way.
- Data has been provided in calendar years.

Year, Age Band	Gender			Grand Total
	Female	Male	Non binary
