Request

It would greatly appreciate it if you would send me a copy of the NPM agreement your Trust has with their anti-embolism stocking (AES) supplier. AES is part of the Vascular Therapy and Associated Products Framework. I also need to know when this was signed and, if possible, who sent the email to the Trust requesting them to sign this agreement. Many thanks!

Response

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
