

FOI 0190/2024 Response

Can you confirm whether you have a chief nursing information officer (CNIO) or chief midwifery information officer (CMIO) at your organisation (or both). If someone is in post for one or both of these roles. Can I request the following information:

- Their name
- The date they started the position
- What Agenda for Change band they work at
- If they identify as coming from a Black, Asian or minority ethnic background

Can you please provide the information in a Microsoft Excel spreadsheet in the following format

Trust name	Name of CNIO	Name of CMIO	The date they started	What band they work at	Whether they come from a BAME background
Birmingham and Solihull Mental Health Foundation NHS Trust	The Trust do not release staff members names for those below a band 8c role.	Please note that we explicitly provide Mental Health Services and we do not provide physical healthcare like an Acute Trust. We therefore, do not have a chief midwifery information officer.	in August 2018	Band 8a	<p>The Trust is unable to provide a response to your query.</p> <p>This is because the requested information pertains to staff member's personal information, which we do not routinely release for those under a band 8c.</p> <p>The Trust therefore rely on exemption Section 40 of the Freedom of Information Act 2000 to deny this aspect of your request.</p>
