

FOI 0250 2024 Response

Request

I would like to request the following information.

For each year from 2021-2023 inclusive [calendar or financial depending on the data is collected], please provide the number of:

1. Maternal deaths, as defined as the death of a woman while pregnant or within 42 days of termination of pregnancy
2. The number of babies being born with confirmed or suspected Hypoxic ischemic encephalopathy.
3. The number of stillbirths, intrapartum death, and early neonatal deaths.

Response

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
