

FOI 0276/2024 Response

Request

I am writing to you under the Freedom of Information Act 2000 to request a detailed breakdown of the hospital beds within your jurisdiction. Specifically, I would like the following information in an Excel format (1 row per service):
 A list of all hospitals registered with the Care Quality Commission (CQC) within your Trust along with the total number of beds (maximum capacity) and total number of beds broken down by type (more details below). My preference is for this to be provided using the same "Location Name" and "Location ID" as specified by the CQC, so that I can accurately identify each hospital. I already have access to the CQC data, but I would appreciate it if you could present it in this consistent format so I can match the service.

So in summary for each hospital, please provide:

1. The hospital name/address (ideally the same name and location ID registered with the CQC);
2. The total number of beds in each hospital (maximum capacity);
2. A breakdown of the total number of beds by the following 4 bed types in each hospital: "Mental Illness", "Learning Disabilities", "Maternity" and "General & Acute".

I appreciate beds in the NHS system are dynamic and change over time so if needed please provide the data for the latest Quarter available.
