

FOI 0283 2024 Response

Request

My request is for the BSMHFT due to a previous FOI to ICB resulting in the following reply: "NHS Birmingham and Solihull do not hold the information requested

Coordinating CETRs is part of the arrangement with the Mental Health/LDA Provider Collaborative. Please contact the collaborative lead directly; Birmingham and Solihull Mental

Health NHS Foundation Trust bsmhft.foioffice@nhs.net."

Therefore, according to the ICB, the BSMHFT must address this FOI request. A copy of the FOI request is as follows:

I would like to request the name, job title, and contact details of the current Care, Education, and Treatment Review (CETR) lead within the NHS Birmingham and Solihull ICB or if no such role currently exists, the details of the individual(s) holding the most similar role overseeing Care, Education, and Treatment Reviews. If there are multiple CETR leads within the ICB, please provide this information for each individual.

Response

The person responsible for the CTR's is the Senior Clinical Quality and Assurance Manager the contact email address is bsmhft.transformingcare@nhs.net.

Please note that the Trust is unable to provide the name of the Senior Clinical Quality and Assurance Manager. This is because we do not release staff members personal information for those under a band 8c role.

The Trust therefore, rely on exemption Section 40 of the Freedom of Information Act 2000 to deny this aspect of your request.
